

Dear Office Depot / Veyer Supplier,

We are excited that Office Depot / Veyer has partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to receive early payment on your The Office Depot / Veyer invoices.

Through the C2FO platform, you can suggest a discount on one or all of your outstanding invoices with us. If your offer is accepted, Office Depot / Veyer will initiate payment on the next immediate payment run. You will receive early payment on The Office Depot / Veyer invoices using your current payment method.

The Office Depot / Veyer Early Payment Program is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no complicated paperwork to complete

Finally, the best part about the program is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control.

As one of our valued suppliers, we want you to join the Office Depot/Veyer [Early Payment Program](https://officedepot.c2fo.com). To learn more about the program and activate your account, please visit <https://officedepot.c2fo.com>

Thank you for your continued partnership with The Office Depot / Veyer.
