

Dear Vendor,

We are pleased to announce that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to receive early payment on your Reliance Retail invoices.

Through the C2FO platform, you can suggest a discount on one or all of your outstanding invoices with us. If your offer is accepted, early payment will be initiated on the next immediate payment run. You will receive early payment on Reliance Retail invoices using your current payment method.

The Reliance Retail Early Payment Programme is simple and has many advantages:

- Access to cash flow whenever you need it
- Competitive sources of funding
- No changes to existing payment terms
- No maintenance fees

Finally, the best part about the programme is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control

To learn more about the programme and activate your account, please visit reliancefnl.c2fo.com.

Thank you for your continued partnership with Reliance Retail.
