

Dear Valued Business Partner,

We are delighted to introduce a fully digital **Royal Enfield Accelerated Payment ("REAP") Program** for early payment of your invoices.

This program aims to empower you to control and strengthen your cash flow, by opting to receive early invoice payments in a simple and optimal manner.

For this program, we have partnered with C2FO, the global leader in working capital solutions, who will provide a fully digital and easy to use platform for discounting your invoices.

To learn more about the program, please refer to the following <https://royalenfield.c2fo.com>.

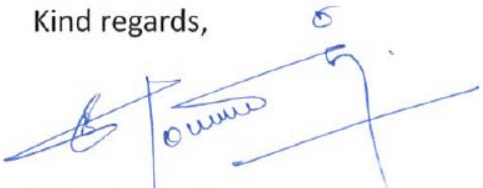

C2FO will soon reach out to you to assist with onboarding process. Please nominate the authorised official from your organization, for registering and participating in the program.

C2FO shall also conduct physical / virtual tutorials on the program, where you will also have an opportunity to have your clarifications addressed. Post onboarding, the C2FO support team will be available at all times for ongoing support and you can contact at [royalenfield@c2fo.com](mailto:royalenfield@c2fo.com) and at +91 7035.7035.93.

You may also reach out to Mr. Sabari Kumar ([sabari@royalenfield.com](mailto:sabari@royalenfield.com)) and Mr. Sivakumar Reddy ([sivakumarreddy.k@royalenfield.com](mailto:sivakumarreddy.k@royalenfield.com)) from Royal Enfield, for any assistance or queries.

Thank you for your continued partnership with Royal Enfield.

Kind regards,

B Govindarajan  
Chief Operating Officer
