

We are pleased to announce that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to offer dynamic discounting and receive payments for your SIFY invoices.

Through the C2FO platform, you can suggest a discount on one or all of your outstanding invoices with us. If your offer is accepted, payment will be initiated on the next immediate payment run. You will receive the payment on SIFY invoices using your current payment method.

The SIFY Dynamic Discounting Program is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms
- No maintenance fees and no paperwork to complete

Finally, the best part about the program is that you determine which invoices to discount and how much of a discount to offer, so you're in complete discretion.

To learn more about the program and activate your account, please visit sify.c2fo.com.
