

Dear Valuable Sysco Supplier,

Sysco appreciates the working relationships we have with our business partners and continuously looks for ways to improve them. We are pleased to announce Sysco C2FO, an optional program to give suppliers the choice to optimize working capital efficiencies if you choose to participate.

**Sysco C2FO allows Suppliers to:**

- View approved invoices in a secure online environment
- Reduce your cost of borrowing
- Dramatically reduce your days sales outstanding
- Schedule your receipt of payment to better manage cash flow
- Flexibility to use the program as needed

**If you are not responsible for financial matters, please forward this information to the right person. Typically this would be a CFO, Controller or Finance Manager.**

**The Power of Sysco C2FO For Suppliers:**

- Provides you an additional working capital funding option.
- Allows you to get paid directly from Sysco, just like you do today, only faster.
- Thousands of Suppliers, including Fortune 1000 companies from all over the globe, utilize the power of C2FO to support and grow their business in many ways.

We have partnered with Pollenware, the leading provider of cloud-based payment optimization technology and early cash flow delivery for Suppliers across the globe, to administer this program. If you have questions please contact the Sysco C2FO Support Team at 855-713-C2FO (2236) or email [sysco@c2fo.com](mailto:sysco@c2fo.com).

[Please visit sysco.c2fo.com to learn more.](http://sysco.c2fo.com)

We value your partnership and are pleased to offer this program to provide greater flexibility of working capital funding options.

Thank you for your continued partnership with Sysco.
