Dear Credit Manager,

TaylorMade appreciates the working relationships we have with our suppliers and continuously looks for ways to strengthen them. We're pleased to announce we are now participating in the C2FO Market, an online marketplace that can help you improve your cash flow by receiving early payments from TaylorMade on approved invoices.

Activate your C2FO account in less than 5 minutes.

C2FO makes it easy to activate your account and takes less than 5 minutes.

- **Step 1:** Contact our C2FO Support Team at 855-713-C2FO (2236) (M-F, 7 a.m. to 7 p.m. Central) while at your computer
- **Step 2:** We will confirm your company information and help you activate your account

Once your account is activated, you are not committed to early payments — you simply gain the option to get paid early as needed.

Thank you for your continued business with TaylorMade.

Regards,

P.S. The C2FO Market is typically a program best reviewed by the organization's finance team. If you are not the person responsible for cash management, please forward this information to your CFO, Controller, or Credit Manager. You can also provide a new contact person at c2fo.com/taylormade/contact.
