Dear Suppliers,

We're committed to providing you with more benefits in 2018.

As part of that commitment, we're launching a new programme that will allow you to receive early invoice payments by offering a small discount.

The goal is to give you easy access to working capital for less than your cost of borrowing.

Our partner C2FO will provide the online portal and support. Payments will still come directly from Travis Perkins via your current remittance process and with no changes to existing terms.

You can activate your account by visiting [travisperkins.c2fo.com](http://travisperkins.c2fo.com). If you have questions, the C2FO support team is ready to help you.

Thank you for your continued partnership with Travis Perkins.
