

Dear Esteemed Supplier,

We at V Guard Consumer Products Limited (VCPL) value the strong working relationships we share with our esteemed suppliers. We are always seeking innovative solutions to enhance and fortify our business partnerships.

We are delighted to inform you that we have teamed up with C2FO, a global leader in working capital solutions, to offer a secure online platform. This platform allows you to receive early payments for your invoices from VCPL.

Using the C2FO platform is simple. You can propose a discount on any or all of your outstanding invoices, and if your offer is accepted, we will initiate early payment during our next payment run. It's important to note that payments will still be processed through VCPL's current payment method.

The VCPL Early Payment Program comes with several benefits:

- Quick access to cash flow as needed.
- Lower cost than traditional sources of funding.
- No changes to existing payment terms.
- No maintenance fees and no cumbersome paperwork.
- What makes this program even more appealing is that you have control over which invoices to Discount and the extent of the discount you wish to offer.

To discover more about the program and activate your account, please visit **vcpl.c2fo.com**.

We sincerely appreciate your ongoing partnership with V Guard Consumer Products Limited.

Thank you for your continued partnership with VCPL.

Best Regards,

Mr. Saleesh Sekhar
