NOBEL PRIZE WINNERS

Join team and publicize project on TV!

Doctors Louis Ignarro, PhD, and Barry Marshall, MD, each won the Nobel Prize in Medicine for breakthroughs revealed in *The World's Greatest Treasury of Health Secrets*. And both appeared on the Hugh Downs TV program to dramatize the importance of this publishing project, as did over 20 more of the world's greatest doctors.

Doctors accept no compensation. "Just want to save lives..."

None of the project's 498 doctors accepted any compensation, selflessly volunteering their discoveries to help save lives. *Bottom Line* recently stopped the presses to include their very latest breakthroughs, expanding this book to 563 pages and over 2,618 life-changing secrets... (More about the super team on page 10...)

Dear Health-Conscious Friend:

If you saw the Hugh Downs national TV program, then you know this lifesaving masterwork has already sold over 2.2 million copies. Success stories and thank-you letters are positively pouring in...

But we decided that over 500 pages and 2,345 lifesaving secrets from more than 450 doctors WASN'T ENOUGH...

WHY? Because every week, these doctors are discovering *more* lifesaving secrets. And every day, our moms, dads and spouses are *dying* because the news is getting covered up!

Our doctors were so concerned and outraged, they DROPPED EVERYTHING TO GO ON TV...

...and show Americans the *miracles* that our "incurable" loved ones are being denied!

I figured the *least* I could do for my part was expand *The World's Greatest Treasury of Health Secrets* to 563 pages and over 2,618 secrets...and send it to selected, health-conscious readers like you to preview for FREE.

Then I decided that even this gigantic freebie WASN'T ENOUGH...

So we commissioned TWO more medical masterworks, totaling 368 pages, packed with thousands *more* secrets from hundreds *more* of the greatest doctors of our time. And rather than ask you to *pay* for them, I'd like to send you *both* brand-new gift books, regularly priced at nearly \$60...

TOTALLY FREE to keep forever!
(See pages 18 and 19)

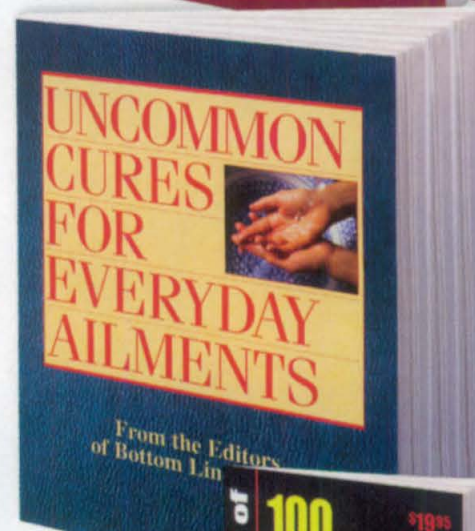

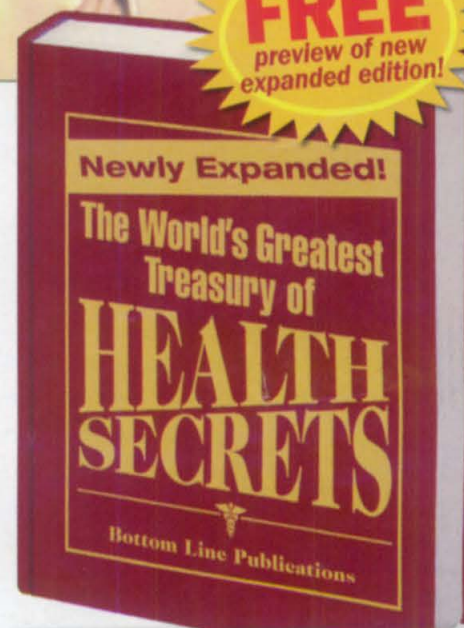

So if you never want to die from CANCER...

Never have another STROKE or HEART ATTACK...

Never get crippled by OSTEOPOROSIS or EMPHYSEMA...

Never fall victim to ALZHEIMER'S, PARKINSON'S or DEMENTIA...

"BYPASS IN A PILL" Wins Nobel Prize, Then Gets Buried!

- ✓ **Cuts artery plaque by
an incredible 50%...**
- ✓ **Drops high blood pressure
as much as 60 points...**

Nobel Prize winner **Dr. Louis Ignarro** made a special appearance on the Hugh Downs broadcast — to reveal the covered-up truth

about this astonishing breakthrough. He's discovered a "miracle molecule" that could make bypass surgery, angioplasty and blood pressure drugs obsolete.

Already, doctors are saying this natural discovery can expand narrow blood vessels, eliminate dangerous clots, lower high blood pressure as much as 60 points, reduce artery-clogging plaque by an amazing 50%...

And this is *not* unproven hokum. *It just won Dr. Ignarro the Nobel Prize!*

No doubt you're wondering, "I don't get it. He won the Nobel Prize. Why haven't I heard about it?" I'm afraid the reason is that this amazing discovery has been...

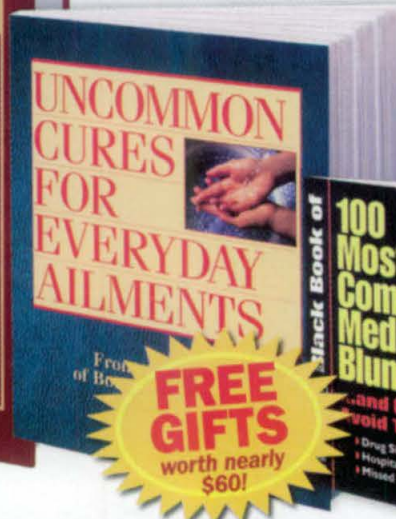

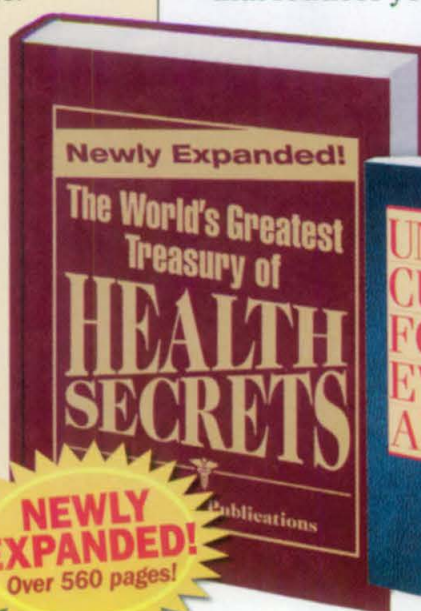

Killed by big-money medicine, because it's too cheap!

As you'll see on page 485 of your FREE-Preview volume, all you need to unleash Dr. Ignarro's molecule are a couple of safe, natural supplements. Isn't that outrageous? *This secret won the NOBEL PRIZE, for heaven's sake!* It could be saving millions of lives every year — at absurdly low cost — and nobody even knows it exists!

This new secret alone was worth stopping our presses and expanding **The World's Greatest Treasury of Health Secrets**. But as you'll see on the pages ahead, this is just the tip of the iceberg. So don't delay. Learn how to use this breakthrough and 2,618 more lifesaving secrets for FREE...

Not long ago, all doctors thought strokes were untreatable. Paralysis, weakness or death were pretty much inevitable. But the breakthrough drug called TPA is changing everything.

Nobel Prize winner Dr. Barry J. Marshall, MD, is one of 22 world-acclaimed doctors who made special appearances on Hugh Downs' recent TV show about *The World's Greatest Treasury of Health Secrets*. Dr. Marshall won his Nobel Prize for the breakthrough revealed on page 540, and he urged all viewers of the TV broadcast to obtain this lifesaving new book.

HAILED ON NATIONAL TV by legendary newscaster Hugh Downs!

Millions of Americans recently saw broadcasting legend Hugh Downs host a special TV program about this lifesaving project. Interviewing *Bottom Line* medical editor Arthur P. Johnson, he also introduced 22 of the world-famous doctors who helped make the newly expanded *World's Greatest Treasury of Health Secrets* a reality. Visibly moved by the magnitude of their achievement, he concluded...

"Ladies and gentlemen, I'm 85 years old. I've examined these publications and the credentials of the doctors who contributed to them. The new information contained within these covers is extraordinary. I do believe it will improve your life and could very well save your life." — Hugh Downs

Back Secret
outperforms surgery...
Works miracles for herniated disks!

Famed pain researcher
Dr. Norman Marcus,
MD, of New York

University School of Medicine,
made a special appearance on
the Hugh Downs program — to
refute painful *myths* about back
pain. He insists you don't need

surgery or drugs, and he's got the proof.
His easy new cure was tested on people with
seriously *ruptured disks*, and proved significantly
more successful than risky surgery. Best of all...

His top secret is FREE! Before
you shell out thousands for risky
interventions, try the easy physical
therapy detailed on pages 518–519
of the newly expanded **World's
Greatest Treasury of Health
Secrets**. Just lie down and follow
the diagrams — it's incredibly
relaxing. Do it once a day and say

But there's a secret nobody's telling you about these
“natural miracles.” And it's the one thing you've got
to know...

How much to take! Forget what the labels say. They ignore the little-known
fact that your dosage *depends on your body weight*. It's crucial to get this right
or you may feel nothing. So when you get your FREE-Preview copy of the newly
expanded **World's Greatest Treasury of Health Secrets**, turn immediately to
page 27. Discover the dosage that's right for you. Start getting the very real
benefit of this discovery. And then learn the other secrets that can *ease your*
arthritis pain even more. Like:

■ **How to “rehydrate” your joints.** Draw more lubricating
fluid into them, so they don't hurt nearly as much. *Stop* taking
aspirin, which actually blocks this process, and start taking the
alternative on page 28.

■ **The eating cure for arthritis**
now proven in 15 different studies. Scientists have long known that some
foods reduce inflammation. Others
make it worse. This amazingly effective
program simply increases the
helpful type and dials the
others down. Tested again

New! Arthritis-buster packs

**25 TIMES
MORE POWER...**

**...than dangerous COX-2 inhibitors!
PLUS: Instead of causing heart trouble,
it actually lowers your blood pressure!**

The brilliant Dr. James A. Duke, PhD, former chief of the U.S.

Department of Agriculture Plant Laboratory, made a special appearance on the Hugh Downs TV program—to break the silence about

his awesome new botanical discoveries. His new arthritis pain cure contains 25 different, natural anti-inflammatories...25 times more than today's most highly touted drugs! And, unlike dangerous pharmaceuticals that have been linked to heart attacks, internal bleeding or even liver failure...

It's as safe as celery! Yes, believe it or not, Dr. Duke's natural blockbuster is an extract of celery seed. Yet it powerfully reverses pain and swelling from arthritis...and works at least as well as the leading drug for gout. Best of all, instead of causing heart trouble, it actually reduces high blood pressure and angina!

■ World's sexiest cure for joint pain.

Yes! 70% of people in a recent study report that a certain kind of sexual activity relieves pain dramatically for up to 6 hours. Try it before you drop off to sleep. More healthy and pleasant than drugs! Page 260

Then get the real scoop on HOW TO AVOID ALZHEIMER'S

The longer we live, the more likely we are to get this terrible condition. As I write this, I'm looking at an Associated Press release that says *Alzheimer's cases are doubling with every five years of age between 65 and 85.*

If this continues, it won't be too long before more Americans have Alzheimer's than cancer! But the real tragedy is...

We're being fed a pack of lies about this disease

Drug companies would like you to believe that Alzheimer's is genetic and *not* preventable by any natural means. They want you to think your only hope is to give up, and just trust the latest, insanely expensive drugs.

WRONG! In fact, our medical team reports that *only 35% or fewer* Alzheimer's cases have a clear hereditary basis. So please, stop worrying about your genes — and start learning the new discoveries

that may prevent you from ever getting it! On page 234 in your FREE-Preview copy of *The World's Greatest Treasury of Health Secrets* you'll learn how to...

Make yourself 500% less likely to get Alzheimer's

Did you know that Americans over age 65 get Alzheimer's five times more often than their counterparts in China and Nigeria? Why? Health experts now believe they have the answer. Yet incredibly, most Americans still haven't been warned...

It's in our food. Something you're probably eating every day.

And I'm not talking about aluminum. (This widely heard theory has been largely discredited. See page 267.)

The real culprit is actually a fat — one we can easily avoid. See page 234!

Now that we've eliminated so many of your deadliest perils, let's make sure you thoroughly *enjoy* your additional decades. With all your strength and your senses in great shape.

In your FREE-Preview copy of *The World's Greatest Treasury of Health Secrets*, you'll learn how to...

FREE! Blood Sugar Cure boosts insulin sensitivity 40%

In your FREE-Preview volume, you'll also learn about the newly proven natural cure for *insulin resistance* — the culprit behind type II diabetes. As revealed in the Hugh Downs TV show, people who took this compound in a recent study improved their insulin sensitivity by an astonishing 40%. Yet it's totally safe, and so absurdly cheap, it's

almost FREE! (A big bottle costs pennies.) Show your doctor the details on page 533 of the newly expanded *World's Greatest Treasury of Health Secrets*. This is where you'll also learn about:

■ **DIABETIC PAIN DEFEATED!** Nerve damage from diabetes can cause "incurable"

pain and numbness in your hands, legs or feet. But special doses of a natural compound called ALC have recently been proven to reverse it quite dramatically! This is late-breaking news, so *you'll* probably have to tell your doctor about it. See all the details on page 534. **BONUS:** This same compound is a powerful memory booster!

HEAR TWICE

without a hearing aid...

How to dissolve deadly **ALZHEIMER'S PLAQUES...**

Almost as easily as washing your hair!

Top brain researcher Dr. Gary Small, MD, of UCLA's Center on Aging, made a special appearance on the Hugh Downs TV program — to report on an almost unbelievable breakthrough against Alzheimer's disease. Dr. Small has been researching how to *dissolve* the deadly amyloid plaques that form on the brains of Alzheimer's victims.

Yes, dissolve them! Just like you might wash dirt from your hair.

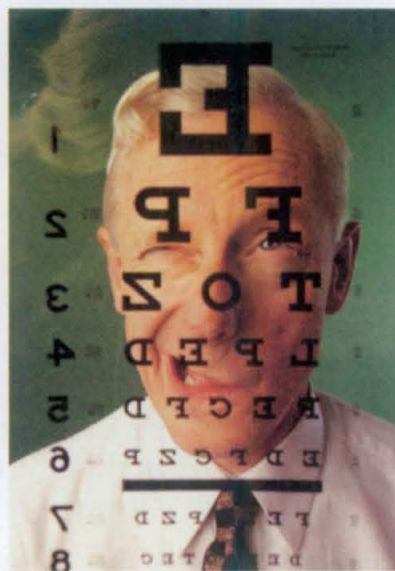

Believe it or not, all you may need to jump-start this process is a common pill that's already sitting in your medicine chest. This compound bonds to the plaque, helps dissolve it, and may even prevent new lesions from forming. If a loved one has Alzheimer's — or if you never want to get it — check out the details immediately. You'll find them on page 507 of the newly expanded *World's Greatest Treasury of Health Secrets*.

If you have a loved one who's hard of hearing, don't assume it's irreversible! Our medical team has uncovered a natural way to **DOUBLE** hearing sensitivity in a very short time.

No hearing aids are necessary, no drugs and no herbs. A careful university study shows that people who just did a brief, easy exercise were able to hear faint sounds twice as well as before!

Researchers think this exercise may improve the circulation to your inner ear. Whatever the reason, it works! See page 365.

NEW! No more cataracts!

Before you schedule old-fashioned surgery, check out the exciting new "one-day cataract cure" on page 194 of the newly expanded *World's Greatest Treasury of Health Secrets*. You may notice an astonishing difference instantly! Then be sure to...

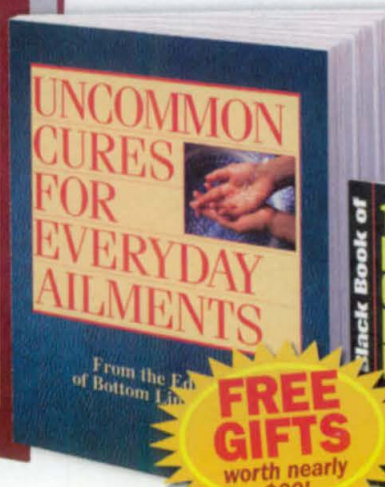

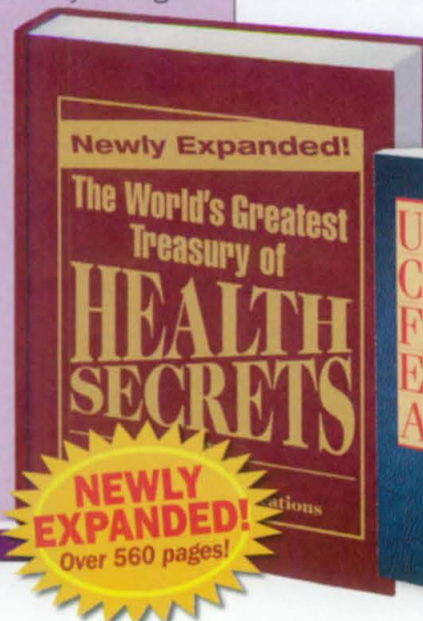

Triple or quadruple your resistance to MACULAR DEGENERATION...

And stop it cold, *even if you're already showing symptoms.*

As you may know, this common condition eventually destroys your retinas. The older we get, the more we're at risk. Eye surgeons may tell you that surgery is your only recourse.

But they're wrong. An impressive study has now been performed on people already showing symptoms of macular degeneration. Amazingly, *this simple change in their eating habits* made them 3 to 4 times more likely to preserve their good vision.

See page 359 for details about this breakthrough. Then be sure to take our team's easy "genetic test," to see if you're at extra risk. (Just look in a mirror and you'll know.)

Men who feared they were sexually inadequate are suddenly super-performers. Women who worried they were frigid are feeling intense pleasure and triple the orgasms.

What's the secret? Not a drug, but a scientific technique that picks up where Viagra® leaves off. Doctors are calling it CAT, short for the Coital Alignment Technique. It's a variant on the standard missionary position. The differences are subtle, but the results have been revolutionary. In a recent study:

■ **90% of subjects report much more powerful orgasms.** While ordinary orgasms are limited to a pulsating sensation, CAT orgasms combine this with a "melting" sensation.

■ **A third of all women report simultaneous orgasms** with their partners, on a regular basis.

Full details on how to perform the CAT technique start on page 253 of the newly expanded *World's Greatest Treasury of Health Secrets*.
