### **1L Rep intros**

- Link to this at Pro-serve Alberta & Event organizer training UAlberta

Office usage

- Keep it tidy
- Welcome to have people in here but have to be here with them

Responsibilities: i) Taking meeting minutes ii) Poster-making iii) Faculty lunch (talk to Katie, Alison & Rosie), theres a doc from it last year that I can access (based pretty much based around Dean availability) iv) Christmas party (get the decorations out of the basement) — — Other than that help out where you can.

## **President**

Dean Debrief

- Town Hall (green lightish on gavelpalooza — more info to come)

Head of Comm Debrief

- Brought up faculty broadcasting LSA events. Concerns of Pres: we have paid members so he doesn't want to publicize that. Issue with public access.
- Prelim discussions on a new logo. Jessica Tam — If she is interested can see if she would like to design a logo (small honorarium for it)
- Template for VP Services email

Has phoned Edmonton Sun — usually Edmonton Sun has granted paper for food bank donations. VP Services may be up for going to Edmonton Sun to pick it up/get clarification.

Full Calendar for faculty to be able to get involved with our events and to ensure double booking doesn't occur.

## **VP General (Ben)**

Elections happened & they were successful. 255 responses.

- Pres: Do we elect first year LSC reps?  
— — Answer: They are nominated. LSC puts out nominations & the LSA votes.

Mentorship — Faculty mentors have their lists so now its on them.

Clubs — Everything looks good. Will touch base with the clubs presidents.
