SPECIALTY BASED TRACKS

This year’s CAPA Summer Conference will offer even greater opportunity for PAs, across many specialty areas, to be engaged and network with colleagues. This year we have added a variety of specialty tracks. Each day of the conference will feature lectures in general medicine topics, but there will also be a concurrent lecture that is specialty based.

Move freely between tracks.

Are you in pediatrics or a surgical specialty? Then Thursday will offer a variety of lectures with pearls for you to take away.

For those of you in emergency medicine or urgent care, Friday’s track has a lineup packed with essentials for you.

Finally on Saturday, bone up on orthopedics with lectures from top orthopedic specialists.

Each day the general medicine track also offers new and interesting topics, featuring many of your favorite speakers and some new faces to the CAPA Summer Conference program as well. We are particularly excited about this year’s educational program and are confident you will love it. See you there!

GENERAL Information

Join hundreds of PAs as we return to the beautiful Sheraton San Diego Hotel & Marina on August 8-11, 2019. Those who attended the CAPA Summer Conference last year were thrilled with the perfect weather, the conference program and the exciting San Diego location, offering so many opportunities for family fun and nightlife nearby. The Sheraton San Diego is just one mile from the San Diego airport. Each hotel room has a water view. The Amtrak train station is a $10 Uber ride away (most times of day). The Waterfront Shuttle runs daily for just $3 per person all day. If driving, there is a long-term parking lot across the street from the hotel offering $10 a day parking or you may pay the $26.50 per day parking fee for CAPA guests at the Sheraton.

SHERATON SAN DIEGO HOTEL & MARINA

Room rates on the water in San Diego often come with a high price. CAPA was able to negotiate an amazing $209 per night rate, with no resort fee for CAPA attendees! You will want to reserve your room early; the CAPA reduced rate block will surely sell out.

In addition, CAPA Summer Conference attendees will enjoy free in-room internet and a 25% discount on self and valet parking. The hotel is offering the CAPA Summer Conference rate a day or two before and/or after the Conference. Make your reservations now. You must book your room no later than July 5, 2019 in order to take advantage of the special rate (assuming there are rooms left in the block on that date). If calling the hotel, be sure to mention the CAPA Summer Conference to receive our special group rate of $209 per night.

SPECIAL CAPA ROOM RATES

Sheraton San Diego Hotel & Marina
1380 Harbor Island Drive, San Diego, CA
(888) 544-2523
$209 per night (special 25% discount on self and valet parking)

Please note: The hotel will be cross-referencing reservation names with our registration list to ensure that everyone who is holding a reservation under CAPA’s block at the special rate is also registered for the CAPA Summer Conference. Those who are not registered for the CAPA Summer Conference by the hotel cut-off date (July 5, 2019) will be moved outside of the CAPA block.

RESERVE YOUR ROOM ONLINE AT CAPANET.ORG/HOTEL
SUPPORT OUR EXHIBITORS – THEY KEEP REGISTRATION COSTS DOWN

PAs are a unique group of healthcare professionals who really want to listen and learn. We share this with our exhibitors all the time. Please show them how much you appreciate their support by spending quality time with them to learn about their products and services. Word will get out that PAs offer a great return on their investment and our Exhibit Hall will grow. Exhibit fees help to defer costs of putting on the CAPA Summer Conference. Let’s all show them that the CAPA Summer Conference is where they want to exhibit year after year. Thank you.

PA PIONEER DISCOUNT

A special 20% discount off of Basic Course registration is given to the first 500 PAs licensed in California. Have a California PA license number between PA 10001 and PA 10500? Call the CAPA office and mention the discount for the first 500 PAs licensed in California and we can take your registration over the phone, (714) 427-0321. We will be providing a special “PA Pioneer” sticker to those who have been practicing for over 30 years.

REFUND POLICY

There is no charge for canceling your registration prior to June 15, 2019. There will be a $50 service charge on refunds from June 16 through July 13, 2019; a $100 charge for refunds made from July 14 through August 7, 2019; no refunds will be made after August 7, 2019.

ACCREDITATION

This program is not yet approved for CME credit. Conference organizers are requesting 24 hours of AAPA Category 1 CME credit from the American Academy of PAs. Total number of approved credits is yet to be determined. PAs should claim only those hours actually spent participating in the CME activity. These totals include optional workshops. This program was planned in accordance with the AAPA’s CME Standards for Lecture-Learner Programs and for Commercial Support of Lecture-Learner Programs.

IMPORTANT NOTICES

- Name badges are provided for all registrants and MUST be worn for admittance to all activities except the Student Medical Challenge Bowl on Saturday.
- Children under the age of 18 (including infants) will not be admitted to the Exhibit Hall or CME sessions.
- Hands-on workshops and additional courses are optional and require a separate registration fee. Space is limited, so please register early.

WHAT TO WEAR

Business casual attire is the standard dress code for the daily sessions. Come planning to have a good time, socialize and learn. The summer weather in San Diego is usually beautiful, in the 70s and 80s. All meeting rooms are air-conditioned so you will want to bring a light sweater or jacket.

2019 STUDENT MEDICAL Challenge Bowl

The Student Medical Challenge Bowl begins Saturday afternoon on the lawn at the Sheraton San Diego Hotel & Marina with a beautiful blue ocean in the background. The weather will be perfect, of course. You won’t want to miss this fun, light-hearted, Jeopardy-style game show event. PA students answer questions in order to vie for the championship title, the coveted Student Medical Challenge Bowl Trophy and cash prize for the winning program’s Student Society. It has become a highlight of the CAPA Summer Conference and so much fun to watch (and learn). So, have a beer or soft drink (which we provide) and see who will win this year’s CAPA Student Medical Challenge Bowl.

Anita Nelson, MD

2019 STUDENT MEDICAL Challenge Bowl

5:45 p.m. - 7:15 p.m.
The **Student Medical Challenge Bowl** has always been a highlight of the CAPA Summer Conference. In San Diego, we gather on the beautiful Bay View Lawn, enjoying perfect San Diego weather with a spectacular ocean backdrop. You won’t want to miss it. Join us for a beer or soft drink (which we provide), cheer on your favorite team and see who will win this year’s **Student Medical Challenge Bowl**.

AUGUST 11 Sunday

GENERAL MEDICINE
8:15 a.m. – 9:15 a.m.
**Update from NCCPA: Positive Changes to Certification Maintenance**
Greg P. Thomas, PA-C Emeritus, MPH

9:15 a.m. – 10:15 a.m.
**Pre-Eclampsia**
Anita Nelson, MD

10:15 a.m. – 11:15 a.m.
**Sepsis: Current Diagnosis and Treatment Guidelines**
Gerald Kayingo, PhD, PA-C

11:15 a.m. – 12:15 p.m.
**PCOS**
Ji Chun (CJ), PA-C, BC-ADM

12:15 p.m. - 12:30 p.m.
**Conference Wrap-Up and Prize Drawing**
A knee and shoulder workshop, providing a comprehensive review of each joint and the various conditions that may be uncovered through a focused examination. The anatomy of each will be reviewed and specific examination techniques demonstrated to help narrow a differential diagnosis for patients who present with knee or shoulder complaints. This workshop will help the PA in any practice, including primary care, emergency medicine, orthopedics and rheumatology.

**CERVICAL & LUMBAR SPINE EXAM**
Favorite CAPA speaker, Dr. Gregory Yoshida, will again be presenting his spine workshop for PAs who desire a more in-depth review of the spine and how to examine it. Dr. Yoshida will review the basic anatomy of the upper and lower back and demonstrate specific exam techniques that will narrow a differential diagnosis for even the most difficult to diagnose patients. This workshop will help the PA in any practice, including primary care, emergency medicine, orthopedics and rheumatology.

**ULTRASOUND**
Learn point-of-care ultrasound today and use it tomorrow. This workshop is led by Emergency Medicine PA Scott Martin who will guide the participants through basic ultrasound functions. A variety of anatomical evaluations will be executed on live models with intimate guidance from instructors. A few of these evaluations include: E-FAST, vascular access, gallbladder evaluation, appendix evaluation, limited cardiac, ocular and much more. This course would be essential for all PAs who have access to ultrasound in their workplace for the benefit of your patients.

**SUTURING**
In this hands-on workshop, learn or review beginning suturing skills, including basic instrument handling and sterile technique, choice of suture material, and stitch selection. This is the ideal workshop for students or PAs needing to learn basic technique or as a refresher.

**KNEE & SHOULDER EXAM**
Distinguished orthopedic specialist and popular CAPA speaker, Dr. Gregory Yoshida, will be presenting a knee and shoulder workshop, providing a comprehensive review of each joint and the various conditions that may be uncovered through a focused examination. The anatomy of each will be reviewed and specific examination techniques demonstrated to help narrow a differential diagnosis for patients who present with knee or shoulder complaints. This workshop will help the PA in any practice, including primary care, emergency medicine, orthopedics and rheumatology.

**JOINT INJECTION**
(Comman Musculoskeletal Injections and Joint Aspirations)
This workshop is meant for the PA who wishes to gain new experience with joint injections or for the PA who needs to refresh joint injection techniques. Experienced orthopedic PA Eric Glassman, will provide an overview of types of injection materials, including the efficacy of each type for various orthopedic conditions. Pearls and pitfalls of joint injections will be reviewed and hands-on practice with anatomical models will allow the participant to progress through various types of common injections used in primary care, rheumatology and orthopedics.

CAPA is proud to present Point of Care Ultrasound. Not only will you learn the basics of ultrasound, but you will get to practice on live models! Learn today and use tomorrow! Register early as space is limited.

We have a great workshop for you to perfect your orthopedic exam with Dr. Gregory Yoshida’s hands-on Orthopedic Exam Workshops. Learn from the best!

Do you need to brush up on your suturing skills? CAPA is excited to bring back our popular hands-on Suturing Workshop.

Look over the variety of workshops offered this year and register early as space is limited.
# OPTIONAL WORKSHOPS REGISTRATION FORM

## WEDNESDAY WORKSHOP – 8/7/19
- **EKG Boot Camp**
  - $170
  - (10:00 a.m. - 3:00 p.m. - 4 hrs Cat I CME)

## THURSDAY WORKSHOPS – 8/8/19
- **Common Musculoskeletal Injections and Joint Aspirations**
  - $115
  - (9:30 a.m. – 12:30 p.m. - 3 hrs Cat I CME)
- **Suturing**
  - $115
  - (9:30 a.m. – 12:30 p.m. - 3 hrs Cat I CME)

## SATURDAY WORKSHOPS – 8/10/19
- **Point of Care Ultrasound**
  - $200
  - (9:30 a.m. – 12:30 p.m. - 3 hrs Cat I CME)
- **Knee & Shoulder Exam**
  - $75
  - (10:30 a.m. - 12:30 p.m. - 2 hrs Cat I CME)
- **Cervical & Lumbar Spine Exam**
  - $75
  - (2:00 p.m. - 4:00 p.m. - 2 hrs Cat I CME)

## REGISTRATION INFORMATION - Please Print

Please fill out and include with your general conference registration form. Please include a separate check so it can be returned if one or more of the workshops you select are full. Your credit card will be charged for only those workshops that are open at the time you register.

**GENERAL INFORMATION**

- Vegetarian Meal Requested
- Gluten-Free Meal Requested
- In accordance with the Americans with Disabilities Act, please check here if you have any special needs. You will be contacted by CAPA.
- We have secured Non-CME, sponsored lunch presentations on Thursday, Friday and Saturday (August 8-10). The Sunshine Act requires that detailed information about payments and other “transfers of value” worth over $10 from manufacturers of drugs, medical devices and biologics to health care professionals be made available to the public. If you plan to partake in the sponsored lunch, please let us know if you will need one of the following:
- Vegetarian Meal Requested
- Gluten-Free Meal Requested

**Details Inside!**

**Bundle includes:** Conference Registration, CAPA Membership and Thank You Gift (Amazon Gift Card)

**Things to Know About San Diego**

**Train to San Diego**
Take a beautiful, coastal train ride to San Diego instead of driving. Amtrak’s Pacific Surfliner is an easy and comfortable ride with stunning scenery, onboard amenities and other perks such as Business Class for an upgraded experience. Upon arriving at the train station in San Diego, there are cabs waiting (or call an Uber) to take you to the Sheraton for about $10.

**Fly to San Diego**
The Sheraton San Diego Hotel & Marina is less than a mile from the San Diego International Airport! The Sheraton provides complimentary San Diego airport shuttle service to and from the airport. The courtesy airport shuttle runs every 25-30 minutes from 5:00 a.m. - 12:00 a.m., seven days a week.

**Waterfront Shuttle**
$3 hop on and off with an all-day pass! Five ADA-equipped shuttles loop from the Hilton San Diego Bayfront to the Sheraton San Diego Hotel & Marina, making stops along the way. Not only a great way to get around between hotels and attractions along San Diego’s Embarcadero, the Waterfront Shuttle is also a great way to tour the bay and see the sights along the way.

**The Gaslamp Quarter**
Guests can immerse themselves in the rich Victorian architecture and history, dine with world-renowned chefs and dance the night away at nationally-recognized nightlife venues. Tucked tightly into 16 ½ blocks, the Gaslamp Quarter is a walkable urban playground located in Downtown San Diego adjacent to the Convention Center, Petco Park and Horton Plaza.

**Old Town San Diego**
Old Town is the historic heart of San Diego. Created in 1769, Old Town San Diego was California’s first settlement with only a mission and a fort. Wander through lush gardens or browse at one of the many specialty shops for treasures from around the world. Indulge in authentic Mexican food at one of the many restaurants or dance to the strolling mariachis. Take a tour of a haunted building and/or visit one of the many museums. Old Town is the place for food, folklore and fun.
