To our valued customers;

Carbon Controls Ltd is pleased to announce the appointment as a Channel Partner for ABB Variable Frequency Drives, Motors and Harmonic Filters.

In combination with our extensive knowledge and strong existing relationship with the ABB|GE Switchgear and Motor Control division and our experience in the Sales, Service, and Integration of Variable Frequency Drives and GE / ABB VFD's in particular, we are able to offer solutions for your challenging Drive applications.

We would be pleased to demonstrate the capabilities and features that ABB Variable Frequency Drives offer in reducing your installation costs, operating costs and maintenance costs.

Feel free to contact us to see how we can make your drive applications work better.

Sincerely,

Carbon Controls Ltd.
