

TRADE SCHOLARSHIP PROGRAM

ELIGIBLE TRADE PROGRAMS

- Architectural Technician
- Building Construction Technician
- Building Information Modeling Management
- Cabinetmaking and Furniture Technician
- Carpentry and Renovation Technician
- Civil Engineering Technician
- Construction Engineering Technician - Building Renovation
- Construction Management
- Construction Techniques
- Crane Operation, Rigging and Construction Techniques
- Electrical & Mechanical Industrial Maintenance
- Electrical Engineering Technician
- Electrician
- Environmental Technician
- Forestry Technician
- Gas and Oil Burner Technician
- Heating, Refrigeration and Air Conditioning Technician
- Heavy Equipment Technician
- Heritage Carpentry and Joinery
- Horticultural Industries
- Industrial Woodworking Technician
- Landscape Technician
- Manufacturing Engineering Technician
- Mechanical Engineering Technician
- Mechanical Technician - CNC and Precision Machining
- Mechanical Technician - Elevating Devices
- Mechanical Technician - Precision Skills
- Mechanical Technician - CNC & Precision Machining
- Mechanical Technician - Small Engine Mechanic
- Millwright
- Motive Power Technician - Diesel Equipment and Truck
- Motive Power Technician - Heavy Duty Equipment
- Motive Power Technician - Service and Management
- Plumbing Technician
- Power Engineering Technician
- Survey Engineering Technician
- Urban Forestry - Arboriculture
- Welding and Fabrication Technician
