The image features a solid red background. Overlaid on this background are two wooden planks. The plank in the foreground is positioned diagonally from the top-left towards the bottom-right. Behind it, another plank is visible, also at an angle but slightly more horizontal. The wood grain of both planks is clearly visible, showing a natural, slightly irregular texture. The word "Samples" is written in a clean, white, sans-serif font, centered horizontally and partially overlapping the wooden planks.
