

sustainable  insulation™

# sustainable comfort

With CertainTeed's Sustainable Insulation™ products, your customers can now enjoy complete home comfort. Manufactured with an organic plant-based binder, this product has no formaldehyde, acrylics, dyes or unnecessary fire retardant chemicals added.

**Help build an environment of change.™**

L'isolation  responsable

# confort durable

Avec les produits Sustainable Insulation™ de CertainTeed, vos clients peuvent maintenant profiter pleinement du confort à la maison. Fabriqué avec un liant végétal organique, ce produit ne contient pas de formaldéhyde, acryliques, colorants ou de produits chimiques ajoutés retardateurs de feu.

**Favoriser le progrès.**
