## DaVinci™

### Exterior Color Inspiration

DaVinci™ siding delivers a timeless, elegant style with deep, long-lasting colors. Unlike other processes that can scratch, DaVinci™ color is produced using the highest quality pigments are saturated through the panel to ensure it is always rich and lasting.

The inspiring palette of Davinci™ features some of the most tested hues, These distinctive, yet classic colors are guaranteed to set any home apart from the rest.

### characteristics

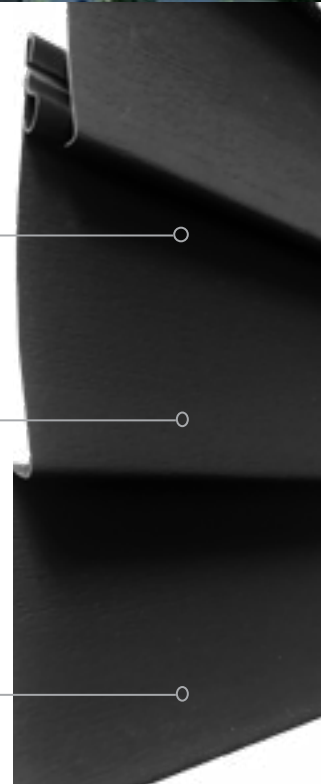

Premium thickness for added impact resistance

Made with Colorfast™ and Helios® technologies providing a 25 year fade resistance warranty

Exclusive Duratron™ vinyl technology for long lasting durability

## Original Style

### Protection Against Fading & Distortion

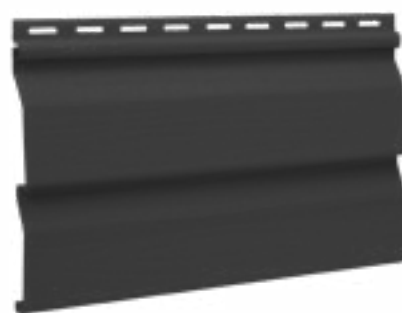

Intense heat from the sun's rays can take a toll on the exterior of your home. Dark colored siding creates an even bigger challenge. Helios® Technology provides unique properties and heat resistance capabilities that are ideal for these beautifully vivid colors. Helios® Technology protects your home's beauty for years to come.
