TIGHT SPACES.

NEW

Paslode Impulse Cordless 16 Gauge Finish Nailing System

Features & Benefits:

It gives great maneuverability to place the nail exactly where you want it wherever you're working: overhead, on ladders or on your knees. Our portable finish nailer, finish nails and fuel cells are designed to work in tandem so you get the job done right, right away.

Powerful precision. Finish right the first time.

- Lightweight – Only 4.6 pounds for added comfort and control
- Use Paslode Universal Trim Fuel – Drives approx. 1,000 Nails
- Li-ion Battery – Drives up to 12,000 nails per charge
- Battery Standby Position – Conserves battery power
- 1 Hour Rapid Charger – 80% charge in only 20 minutes
