

LARGE STRIPS SERIES

Created from the ErthCOVERINGS Strip Series stone line, the Large Strips Series follows the same sharp lines & amazing shadow effects expected from ErthCOVERINGS Strips. Now offered in a larger format unique to ErthCOVERINGS, this modern look is unparalleled by any other product. Allowing for both large and small scale applications with easy installation, this stone series creates a look of grandeur while still allowing the user to think outside the box, enabling an endless spectrum of design possibilities.
