

3" SEMI-TRASH TRANSFER PUMP WITH POWEREASE 225 ENGINE

MODEL: TP-3070R

WORKSHOP

SERIES

FEATURES

- **Reinforced semi-trash** water transfer pump that will handle water with dirt, grit and small rocks.
- **Rugged and reliable Powerease engine** drives the pump with plenty of power.
- **Reinforced aluminum body** and cast iron impellers can handle solids up to 5/8" making this pump ideal for moving dirty water.
- **T-handles** allow for toolless access into the pump body to be able to clean it out.
- **Steel roll cage** protects the machine and provides ergonomic hand holds to easily maneuver it.
- **Built-in data** plate includes all the key information the user would need to operate.
