6 Assembly Instructions

**IMPORTANT:** Since there are different versions of each product based on your region, please make sure you are using the correct set of instructions. The part number below should match the one on your box.

**IMPORTANT:** Due to the nature of cut aluminum profiles, some metal shavings may remain despite our thorough QA cleaning process. We recommend opening boxes and packaging on a hard surface.

**NOTE:** Some screws and washers may be pre-installed. These are included in the parts list and will need to be loosened and reattached according to the instructions.

Recommended: Two people for the task

Tighten the hardware

Keep the hardware loose for adjustments

Make the necessary adjustments

Break the tab off the corner bracket

Safety glasses required

Attention/Priority needed

Reserve for the next step

Mirrored components (same on both sides)
