6 Assembly Instructions

IMPORTANT: As there are different versions of each rig depending on your region, please ensure that you are using the correct instruction set. The part number below should match the part number labeled on your box

IMPORTANT: Due to the nature of cut aluminium profile, some metal shavings may still be present after our extensive QA cleaning process. We recommend that boxes and packaging is opened on a hard floor.

NOTE: Some screws and washers are pre-installed. These will be part of the parts list and will need to be loosened and reattached according to the instructions.

Two people **recommended**

Tighten hardware

Leave hardware loose for adjustment

Make adjustment

Break tab off corner bracket

Safety glasses needed

Attention / Priority

Reserve for following step

Mirrored components (Same on both sides)
