2.07.1

Tapware shown is not included.

Contemporary style doesn't have to mean edges and angles, nor does it have to cost the earth. The Caroma **Cosmo** vanity basin is surprisingly economical whilst offering elegant curves and a very modern aesthetic. Accentuating the understated elegance of the Cosmo style, this vanity basin has a self-rimming edge and smooth tapware landing for easy cleaning.

Tap Holes: Basin available in: One taphole Code No.893315; three tapholes Code No.893335.

Waste Outlet: The basin has been designed for the Caroma waste outlet suitable for a 40mm trap connection. Chrome flush fitting waste and white plug supplied. Alternative waste options are available — Plug & anti-vandal flush fitting chrome waste Code No.687141C; Plug & chrome grate waste Code No.687328C; Chrome pop-up plug and waste Code No.687329C.

Bowl Capacity: 4 litres to overflow.

Overflow: Overflow available only. Designed for maximum tap flow rate of 15 litres/minute.

Fixing: The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. **Epoxy type glues must not be used.** The basin is supplied with a template which must be used for the counter top cut-out.

Colours: White only.

Dimension: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
