

5" CHANNEL TILT (T5)

Length: 16-22' Load Angle: 11°

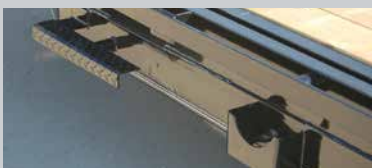

Deck Height: 24" | Deck Width: 83"

Couplers: Bumper Pull & Pintle

GVWR: 7,000 - 9,900 lbs.

Load Capacity: 9,920 lbs (20' Bumper Pull)

Weight: 4,080 lbs (20' Bumper Pull)

Dampening System

Our dampening system for our tilts is not only extremely rugged, but also easy to use.

Diamond Plate Fenders

Our removable diamond plate fenders are simple to remove and lightweight for easy handling.

Diamond Plate Approach Ramp

Our car hauler tilt tails have a "knife-edge" design, making them scissor/fork lift friendly.
