

LARGE TANKS MADE EASY

SUBMERSIBLE PUMPS

KEEPING YOUR SITE MOVING

Western Global offers a range of retail grade, factory-wired and tested submersible pump kits designed in-house to accommodate high-frequency fueling applications. Other features include flow rates ranging from 20 to 100 GPM, dual dispensing, and continuous duty cycles.

PUMP KIT PACKAGES

STANDARD FLOW

Features FE Petro Submersible Pump, with up to 30 GPM dispensing to suit E-Series & P-Series tanks.

Ready to fuel on-road passenger vehicles, company fleets and construction equipment.

Kit Includes: 1" Single Hose Dispense Kit, 50' x 1" Fuel hose on spring retractable hose reel with filter, Fill-Rite digital meter, swivel, automatic 1" nozzle, NEMA 4X panel, 120/208-230VAC, & 1-Phase electrical panel.

HIGH FLOW

Features FE Petro Submersible Pump, with 40 GPM+ dispensing to suit E-Series & P-Series tanks.

Ready to fuel large on-road vehicles, large fleets and construction equipment.

Kit Includes: 1.5" Single Hose with filter, 50' x 1.5" Fuel hose on spring retractable hose reel, Fill-Rite digital meter, swivel, 1.5" nozzle, NEMA 4X panel, 120/208-230VAC, & 1-Phase electrical panel.

DUAL DISPENSE/ STANDARD FLOW

Features FE Petro Submersible Pump, with up to 30 GPM dispensing to suit E-Series & P-Series tanks.

Ready to fuel on-road passenger vehicles, company fleets and construction equipment.

Kit Includes: (2) 50' x 1" hose on spring retractable hose reel with filters, Fill-Rite digital meter, swivel, automatic 1" nozzle, & 1x NEMA 4X panel, 120/208-230VAC, & 1-Phase electrical panel.

DUAL DISPENSE/HIGH- LOW FLOW

Features 2x High Pressure Submersible Pumps with 100 GPM and 20 GPM flow rate. Suitable for P-Series tanks.

Ready to fuel lube trucks, passenger vehicles, construction equipment and mining equipment.

Kit Includes: (1) 50' x 1.5" hose & spring retractable reel, (1) 50' x 1" hose & spring retractable reel, Flowmeter, high flow filter, NEMA 4X SS, 120/208-230VAC, & 1-Phase electrical panel.

STANDARD FLOW/ GASOLINE

Features FE Petro Submersible Pump with up to 30 GPM dispensing to suit E-Series & P-Series tanks.

Ready to fuel any gasoline driven vehicles and equipment in your fleet.

Kit Includes: 1" Single Hose with filter, 50' x 1" Fuel hose on spring retractable hose reel, Fill-Rite digital meter, swivel, automatic 3/4" nozzle, C1D1 panel and gasoline vent kit, 120/208-230VAC, & 1-Phase electrical panel.
