

The image shows two modern training tables in a bright room with light wood flooring and a window in the background. On the left is a black table with a flip-top mechanism, mounted on a base with five casters. On the right is a table with a light wood top and a black base with four casters. The text 'ENWORK' is positioned above the main title.

ENWORK

Sensation Next Training Tables

Sensation Next is characterized by subtle elegance and incredible value. With a host of features and configurations, this robust training solution is built to perform. From flip-top tables and nesting options to height-adjustable applications, Sensation Next brings collections-based design throughout multiple environments.
