# callero

Storage with style.

A flexible storage system is vital in schools today, space is at a premium and classroom numbers are increasing. That's why Callero is the answer to all your school storage needs. Mobile units allow multi-site learning spaces, while static tall frames provide maximum storage capacity for the smallest footprint.

Not only is it our most functional system to date, it's got real style. Which means any modern school classroom can look great and stay tidy. From its contemporary colour palette to its sleek design, Callero sets a new standard for school storage.

# The Gratnells Rover

*A helping hand for heavy loads*

The Gratnells Rover with its elegant and minimalist design is easy to use yet designed to operate easily on rough terrain and can even manage heavy loads up and down stairs. The runner system can accommodate a variety of Gratnells trays meeting many storage needs.

Trays are secured into place with a handy strap to ensure no accidents on your journey around school. Special inserts for added protection are available for the trays, as are lids to protect contents while in transit.

*Tray configurations to suit your needs...*

Assembled dimensions: 1170(H) X 560(W) X 760mm(D).

RSET01 - 3x F25 Trays  
RSET03 - 3x F2 Trays  
RSET05 - 2x F3 Trays

Please state tray colour reference number when ordering.

# The MakerSpace Trolley

*Creating spaces for creative minds*

The Gratnells MakerSpace trolley has been designed to work with the rest of the Gratnells Callero Plus range and can be configured with a variety of tray and storage bin options.

The MakerSpace Trolley can be used to transport materials and equipment to a work area, and the trolley can also be used as a standalone workstation, with ample storage for many materials.

Using a selection of tray inserts from the Gratnells range, the MakerSpace trolley can accommodate materials and parts of varying sizes and shapes, while still making them easily accessible for selection and sharing.

**Gratnells MakerSpace Trolley**  
The Gratnells MakerSpace trolley holds standard Gratnells trays on StopSafe runners, allowing easy and safe access to components. The tool hangers can be moved and changed to suit many objects. Comes complete with three deep (F2) trays, 12 shallow (F1) trays, 12 green mini bins, roll holder, 5 single hooks and 5 double hooks. You can customise your MakerSpace trolley with different tray combinations and additional hooks and bins. Available in silver.

# The Gratnells MakerHub

*Creating spaces for creative minds*

The Gratnells MakerHub is designed to be a multi-functional resource trolley that promotes collaborative learning for all ages.

The MakerHub is double sided making it ideal for group activities and the industry standard boards (600 x 900mm) are instantly interchangeable – simply lift up and draw down to remove. Change between magnetic whiteboards, chalkboards and pin boards to suit your classroom activities.

A variety of Gratnells trays can be used in the MakerHub thanks to the flexible runner system in the base storage unit.

## Gratnells MakerHub

Supplied with 6x pairs of runners, clips, 2x magnetic white boards and 4x F2 Trays.

# Callero STEAM activity trolleys

*Creating spaces for creative minds*

The Callero STEAM activity trolleys are ideal for school STEAM activities.

Compatible with the full range of standard Gragnells trays, the trolley can be configured to suit a whole range of STEAM activities.

Smaller trays with inserts are perfect for storing smaller parts and components whilst larger trays are great for housing part completed projects. A range of foams and inserts can be used mix and match to suit requirements and tray colours can be chosen to suit activity or learning environment. The metal top provides a strong working surface.

# Callero Lunchbox & Cloakroom Trolleys

Perfect additions to school storage

## The Gratnells Lunchbox and Cloakroom trolleys are the latest additions to the Gratnells Callero range.

The lunchbox trolley provides a flexible storage solution for schools. Ideally suited to storing lunchboxes it is also great for lots of other uses.

The stylish and robust Callero cloakroom trolley features 32 double coat and bag hooks and rugged castors with foot-activated brake mechanism, making it perfect for the busy school environment. The wire basket in the bottom allows room for items such as wellies and lunchboxes.

### Gratnells Lunchbox Trolley

The Lunchbox Trolley provides a flexible storage solution for school. Includes; ergonomic tubular steel frame, 75mm rugged castors with foot-activated brake and 3x strong wire baskets. Can accommodate up to 30x lunchboxes.

# The latest in Grathnells inserts

A range of inserts designed to be flexible and useable in shallow and deep Grathnells trays.

Inserts can accommodate a variety of parts and spares for robotics and coding STEAM activities and enable division of a Grathnells tray to between 2 and 8 sections. The large insert can be suspended in a deep F2 tray to create two layers with up to 16 sections. SortED inserts are also useful in early years for easy deployment of resources throughout the classroom reducing set-up and take-down time.

**callero**  
SHIELD

The Callero Shield trolleys are antimicrobial as they are treated with Biocote additive. This means bacteria and viruses cannot spread on the surfaces and you need no longer solely rely on continual cleaning to guard against infection.

You will have built in antimicrobial protection from MRSA and ecoli as well as other infections. The antimicrobial trays are available in translucent or kiwi green tint and are widely used in the NHS as well as being fully compatible with Gratnells school storage range.

### Antimicrobial F Trays

Antimicrobial protection is available across the Grathells F tray range. Translucent and kiwi only.

FA01 - SHALLOW  
 FA02 - DEEP  
 FA25 - EXTRA DEEP  
 FA03 - DEEP

Add colour code 20 for translucent or 29 for kiwi e.g. FA0129

Antimicrobial lids available - code LAF1

### Callero Shield Double Trolley

The Callero Shield double trolley comes with antimicrobial protection and is available in 3 different tray combinations. Add 2020 to the set code for translucent trays or 2929 for kiwi.

*Gratnells*

World famous trays...

Our award-winning trays are specially designed and BSI tested for heavy educational use.

Available in a variety of shapes and sizes to suit you, and over 30 colours to suit your classroom. We even have trays to match the National Curriculum subject colours.

# Award winning trays

Our international award-winning trays are BSI tested and passed for heavy educational use.

They come in an exciting range of over 30 colours and four heights meaning you can choose exactly the storage that suits your needs – from translucent or subtle pale grey, right through to bright orange or purple. We even have trays to match the national curriculum colours, so there's a tray to complement every classroom.

And all of our trays fit standard school furniture so you can mix and match a whole range of different colours, lids and tray heights knowing they will all fit with the rest of your classroom storage.

And even though they are built to last they are all fully recyclable too.
