SMARTCASE

The **SmartCase**® is everything you'd expect from a Gratnells tray and more. This case closes to keep contents secure and thanks to its moulded handle can be carried wherever it needs to go, just like a briefcase. Available with customisable foam inserts, liners or plastic dividers. Ideal for storing items from drones to robotic and sciences kits. It fits in the same runners as our trays, enabling them to be stored neatly away.

We supported the UK's first biophilic school with a donation of our iconic trays. Their long-lasting durability and lifetime guarantee fit perfectly with the school's sustainability ethos.

IMPROVING EDUCATIONAL OUTCOMES

Through our Research & Development Headquarters in Cambridge, the UK's leading centre for innovation and education expertise, we are enhancing learning spaces globally, developing new product concepts, and supporting the delivery of a 21st-century curriculum.

Our groundbreaking pilot at Trumpington Park Primary School in Cambridgeshire has improved engagement and academic progress throughout the school.
