

Sack-O-Phones with 5 Personal-Sized HA2 Headphones, Galaxy™ Jackbox and Carry Bag

GJB5HA2

The Galaxy Econo-Line offers economical solutions for listening in the classroom or remotely for groups of five!

This Kit Includes:

- (5) HA2 Personal Headphones with Foam Ear Cushions**
- (1) JBPSF Galaxy™ Jackbox**
- (1) Sack-O-Phone Carry Bag**

Sack-O-Phones packaging is a unique bag that doubles as a knapsack that can hold 5 deluxe or 10 personal-sized headphones. It's a great way to store headphones easily and economically, no need for costly plastic cases for storage.

This pack includes 5 HA2 personal-sized, on-ear headphones – the ruggedly constructed, robust yet lightweight headphone – ideal for today's tech-filled classrooms or working and studying remotely.

HA2 headphones not only provide rugged durability and high quality sound, but the lightweight, on-ear design allows for all-day comfort and easy compact storage.

This Galaxy™ 5-Way Portable Jackbox makes it effortless to connect up to five people to an audio source.

Simply connect to a media player with a 3.5mm jack – CD, DVD, MP3, Tablet or iPad – and you have a 5-person listening center . . . quickly and easily! You will find this a very handy tech tool! This affordable jackbox will quickly become your go-to for audio lessons!
