

## Model 630 V2

The **Highland Model 630 V2** electrofusion welding processor has been designed to be the most intuitive universal EF processor in the marketplace. It is designed to be operator friendly with a simplified interface incorporating a numeric/yes/ no keypad, a wireless, rechargeable barcode scanner and laminated instructions mounted to the lid interior. The strong waterproof case provides protection against physical damage, while the retractable pull handle and wheels allow for easy portability. Along with physical reliability, the processor is designed to be operationally dependable. The processor is available in two power supply options (120V or 240V) to work with almost any power supply globally. It has an operating temperature range between -40°F and 122°F. This allows it to be used in all seasons and all regions.

The **Highland Model 630 V2** processor is designed to fuse HDPE, MDPE, PP, PPR and PPR-CT fittings from ½" up to 32" OD / 30" DIPS or 800mm. It has full traceability with data logging capabilities that can be downloaded to a USB memory stick. The processor is built to IP65 specs, CE approved and fully complies with the ISO International Standard for electrofusion welding equipment. It is standardly equipped with a barcode scanner and leads that have dual size welding tips for both 4.7mm and 4.0mm product which means...**NO MORE ADAPTERS!** 

\*Manufacturer recommended recalibration 24-month intervals, can be 12 or 36 months \$300 USD recalibration fee

## 120V VERSION ISCO P/N 75063002 240V VERSION ISCO P/N 75064002

Operating Mode Manual, Barcode
Welding Voltage 39.5V (8V to 48V)

Welding Current 1A to 80A

Supply Voltage <sup>(options)</sup> 115V ±15% [120V] 230V ±15% [240V]

1 – 30 A [120V]

1 – 15 A [240V]

Supply Frequency 40 – 60 Hz

Minimum Generator Size 3600W

Supply Current (options)

Operating Temperature -40°F to 122°F

Size 20" x 15" x 10"

Weight 61 lb

Data Log Memory 2048 Fusions

USB Download Yes

USB Firmware Upgrade Yes

Multi-Lingual Menus Yes

Wireless Email and SMS Text Optional

GPS Location Logging Optional

Special QA/QC Functions Optional

Warranty 1 Year
