

## **South Huron Soccer Club Diversity, Accessibility and Inclusion Policy**

The South Huron Soccer Club (SHSC) is committed to fostering an accessible, inclusive and welcoming environment for all members of the club. By appreciating the diversity of each participant, our goal is to provide programs that account for each player's sense of belonging and physical, mental and emotional safety, regardless of their ability or background.

All members of the SHSC are required to provide an inclusive environment, regardless of a participant's:

- Gender identity
- Sexual orientation
- Race
- Ethnicity
- Religion
- Socioeconomic status
- Physical ability

All members must have equal opportunity when participating in club activities, and the concerns and needs of each member must be considered. Any behaviours that constitute as harassment, violence or sexual harassment towards any member of the SHSC will not be tolerated.
