

2019 SHYSA Player CODE OF CONDUCT

I _____, do hereby acknowledge that I have reviewed the SHYSA Code of Conduct, and agree to the following for the upcoming season:

- I will make an effort to attend all practices and games.
- I agree to keep up with all my school work and maintain my grades during the season.
- I will abide by all team and league rules and regulations.
- I understand that softball is a team sport and I will control my temper and overall emotions at all times. I recognize that I might, at times, become disappointed in or upset with myself if I don't play to my potential, but I will remain positive for the team regardless of my personal performance. I understand that my emotional behavior has a negative impact on the team, especially during a game.
- I will give effort in both practices and games.
- I will, at all times, show respect for my coaches, teammates, umpires, fans, and opposing teams.
- I will not engage in gossip, will not be part of a clique within the team, and I will treat all my teammates like friends on and off the field.
- I will be a team player.
- I will not complain openly about the position or positions that I am asked to play by my coaches. Nor will I complain openly about playing time. I know that is for the benefit of the team and I can go to my coaches to talk to them about such issues privately after a game or practice.
- I will always hold my head high, even in defeat, knowing I gave my best effort.
- I will accept constructive feedback as well as proper discipline without complaining.
- I understand if I do not follow the code of conduct, I may be benched, or asked to leave the game or practice. Repeated incidents could also result in removal from the team.

I have read and fully understand the above and promise to follow these commitments throughout the entire season.
