

# House League Season Update

## Season Starts May 13

We are just a few weeks away from the start of the 2023 House League season and we are working hard behind the scenes to finalize the team rosters, packing equipment bags and sorting uniforms.

With hundreds of kids joining us this summer it is no easy feat!

Please watch your email in early May as coaches will be sending out information, including rosters, schedules and coaches contacts.

If you have friends or family considering registering, please have them do so as soon as possible as limited spaces remain open.

## Coaches still needed

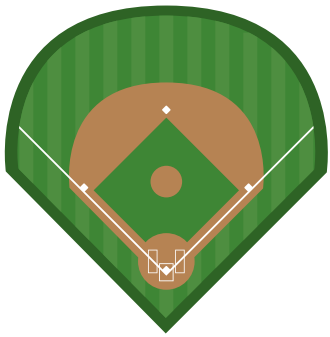

We are still short coaches in the Bantam division. Without coaches we will not be able to field all players currently registered. Please consider giving your time to support our kids this season.

## Volunteer Today

Registration for volunteers is on our website. Click on Registration and 2023 Volunteer. Once registered, email Erin at [selectmosqmets@gmail.com](mailto:selectmosqmets@gmail.com) for more information.

Anyone volunteering with Baseball Milton will be required to provide a signed declaration. This is required for anyone working volunteering with youth under 18 years of age. All coaches will be provided this form from BaseballMilton.

We are looking forward to working with you!

# Save the Dates
