

SPONSOR PACKAGE

To lead, develop, and promote positive ringette experiences for all.

2023/2024

Saskatoon Ringette Association

WELCOME LETTER

Hello from Saskatoon Ringette Association!

Ringette is known as the fastest game on ice, a game that depends on teamwork, play making, speed, and agility. Yet, the sport is more than winning and losing. It is about overcoming adversity, living with passion, dedication and working together. It provides an inclusive environment that nurtures positive mental health, developing essential leadership skills, building self-esteem, fostering an active lifestyle, and creating a strong sense of community.

The impact Ringette can make on an athlete can be life changing. We would love to partner with your organization to help keep our athletes engaged in sport. Your financial support will ensure our athletes continue to build self-esteem, create lifelong friendships and active lifestyles.

On behalf of the Saskatoon Ringette Association and our ringette community, thank you for considering our request. The essential skills gained by playing ringette last a lifetime. We hope that we can count on your help to keep this sport empowering our athletes in Saskatoon and area.

Saskatoon Ringette Association

ABOUT US

Ringette is known as being "the fastest game on ice." It's a game that depends on teamwork, play making, speed, and agility. As a primarily female dominated sport, ringette gives young girls and women the opportunity to create essential leadership skills, build self-esteem, and develop a strong sense of community. The Saskatoon area has over 500 passionate athletes. We strive to provide opportunities to empower all athletes in Saskatoon.

IMPACTS

- Positively impacting the health and wellness of youth by promoting physical activity and exercise.
