## 40 Days Vigil Location (page 2)

**Left Photo:** Where we are Praying. (Be careful not to block Tower of Jewels blue double doors!)

**Right Photo:** Absolutely no congregating here! We are trespassing. Owner hostile. Pray for him! (building marked in Orange in map overview [page 1]).

**Beyond these gates...** lies Birth Control Care Center, the object of our prayers (including its clients, workers and owner, Dr. Adam Levy).

Pray specifically for the permanent closure of this business and for the funds necessary to purchase this property when it becomes available.

Remember to thank Joey Weinstein of Tower of Jewels. He has been very welcoming to 40

Days! A thank you card would be an excellent idea. Also, if you need jewelry cleaned or repaired, or are even thinking of purchasing jewelry for that special someone, please visit Tower of Jewels and let Joey know that you are with 40 Days for Life!

Finally, please pray for Pastor Han of the 7<sup>th</sup> Day Adventist Church on this same street. His church board has made 40 days off-limits to 40 days prayer participants. While restrooms are available, as well as the inside of his church to pray, the rest of the property is not available to 40 Days.
