

Dear Pastor,

I would like to briefly let you know about a life-saving prayer project that will take place here in Salem from **Wednesday, February 22 through Sunday, April 2**. I'm hoping that your congregation might be able to join us as we unite with hundreds of other cities—including Portland and Eugene—for a peaceful, prayerful, simultaneous pro-life outreach – 40 Days for Life. We pray that this effort will mark the beginning of the end of abortion in Salem.

The Oregon Health Authority reports that during the **first nine months of 2022** from Marion and Polk counties **453** preborn children lost their lives by abortion. (See the other side for documentation.) That's more than **11 per week** on average and more than **1 per day** on average, a horrifying loss! We **can** save some of these children's lives. 40 Days for Life provides a way and has had success in Salem.

We didn't ask for this holocaust to be taking place in our community, but wouldn't you agree that we must respond to it by trying to rescue these children, "the least of these"?

40 Days for Life is an interdenominational, faith-based effort made up of three key components:

- **Prayer and fasting:** Inviting people of faith throughout our city to join for 40 days of fervent prayer and fasting for an end to abortion
- **Peaceful vigil:** Standing for life through a 40-day peaceful, prayerful, public witness outside the Salem Planned Parenthood facility on Wolverine Street NE
- **Community outreach:** Taking a positive, upbeat pro-life message to our city through media efforts, church presentations, door-to-door advocacy, and public visibility

According to Abby Johnson (a former Planned Parenthood facility director), there can be as high as a 75% no-show rate when volunteers are seen praying on the public sidewalk near an abortion facility.

All participants are required to assent to a **Statement of Peace** (see other side for a link to it) in which they pledge to conduct themselves in a peaceful, Christ-like manner. 40 Days for Life has been endorsed by many prominent national leaders such as Dr. James Dobson and Dr. Alveda King. For more about the forthcoming worldwide coordinated effort, please visit 40daysforlife.com.

We look forward to exploring ways to work together in this effort to speak up for those who cannot speak for themselves – innocent children in the womb.

Sincerely,

Our Campaign flyer:

How to Save Lives through 40 Days for Life

1. Find a pro-life leader in your congregation to lead this effort. Turn this folder over to that person.¹
2. Publicize the upcoming 40 Days for Life Campaign. The congregation needs to know their pastor supports this:

Ash Wednesday, February 22, through Palm Sunday, April 2.²

3. Provide a table or kiosk for signups.³

vimeo.com/791775845

vimeo.com/744344266

vimeo.com/374684801

vimeo.com/428618087

¹ **Pastor is advised to be informed on the 40 Days for Life organization:** Navigate to 40DaysforLife.com, or scan the QR code shown above with a smartphone camera. The leader should be able to get onto and navigate around the Salem Campaign website and be able to help sign up those who need help with a computer, or the leader should be able to sign them up him- or herself (Bob Snyder can promote the leader to Vigil Coordinator for this purpose). Leader should be connected to Bob Snyder, the Salem area leader: (503) 480-9374, 40DaysforLifeSalemOR@protonmail.com. Or scan the QR code above.

² Publicizing can be through **(1) promotion from the pulpit—the congregation needs to know their pastor supports this!**, (2) presentation to the congregation of one of the short promo videos available (see QR codes and URLs above), (3) display of flyers as posters, (4) inserts and repeated announcements in church bulletins and other publications, (5) slides for the pre-service announcement slide rotation, and (6) any other creative means you can invent. 😊 The local Campaign website 40DaysforLife.com/Salem provides downloadable PDFs and JPGs of all these materials under “Resources” (see QR code above). Contact Bob Snyder with any questions. Peaceful, prayerful, law-abiding vigils are held at Planned Parenthood, 3825 Wolverine Street NE, Salem 97305.

³ This table or kiosk can be in the foyer or lobby of the church building before, between, and after services. A large flat-screen TV can be used nearby to display a looped 40 Days for Life promo video (muted, with subtitles—see QR code above). Helpers can stand by the table or kiosk to invite people passing by to check out the materials and sign up for hours to pray on the sidewalk. The leader may want to choose a particular day of the week to focus on to invite volunteers to pray there, though volunteers are welcome 7am-7pm any day of the week. If fear is an issue, Saturday and Sunday are days when Planned Parenthood is closed and may be less intimidating times until fear subsides—historically it’s been very safe in daylight every day of the week. One hour per 40 Days is OK for a start. More are encouraged, if possible, of course. Volunteers can invite friends to accompany them. It’s strongly urged that there be at least two persons there at a time. Experienced volunteers are available to accompany first-time vigil participants. Contact Bob Snyder.

Signs are available to hold or stake in the ground. They should take them with them when they leave to use next time. See the QR code above for a list of signs available at St Germaine Pregnancy Center (StG) with hours of operation, located near Salem Planned Parenthood.
