

A Guide to Vigils for New 40 Days Volunteers at Salem Planned Parenthood

Dear Volunteer,

Thank you for your interest in 40 Days for Life! 40 Days for Life provides an effective way to put to work your desire to save the lives of preborn children. We make a visible, law-abiding, peaceful, prayerful stand at the place where preborn children are in danger of losing their lives. Perhaps you have already signed up on the online calendar for a vigil time at 40DaysforLife.com/Salem. If not, I hope you will do so. I'm glad you're with us. You have many like-minded friends. You may need information. Some questions and answers are below.

Q: Do I check in some way when I do a vigil?

You don't need to check in, just come. The address is 3825 Wolverine Street NE in Salem. Public property which you may occupy extends about 8 feet into the grass toward Planned Parenthood from the inside edge of the sidewalk. To the right is an aerial map of the area that was given to me by the Department of Public Works of the City of Salem that shows the approximate boundaries. You can find [a downloadable PDF copy of this map online here](#). Or you can scan the QR code.

The area between the yellow lines and the street is public free-speech property. The line of trees approximates the line.

Laminated copies of the map are available to you on the bookcase in the Storage Room at the nearby St. Germaine Pregnancy Center (see next page).

Note: We are not allowed to block pedestrians and people in wheelchairs from passing by us on the sidewalk.

The aerial view of the area on the next page shows allowed parking: areas.

Q: Are there signs or something to hold so people know why I am there?

Yes, here's a list of signs available at St. Germaine Pregnancy Center near Planned Parenthood (see above aerial view for the location):

Signs for 40 Days for Life Vigils

Some of the signs are made by Bob Snyder. Most are or can be made available at St. Germaine. See hours below top left. If any are missing from StG that you want, he will order or make them upon request (503.480.9374).

Please **do** use a sign so, as you say, people will know why you are there 😊. **PRAY TO END ABORTION** signs are the preferred ones for 40 Days Campaigns, but feel free to choose any one shown. Please also have a **Hope Pregnancy Clinic sign** staked in the ground near the sidewalk (or held, if you wish) whenever volunteers are present (except when the Obria mobile ultrasound clinic is present--most Mondays 10a-4p). Hope Pregnancy Clinic reports 792 patients in 2022, 101 more than in any previous year! We believe sidewalk volunteers have played a part in that increase, since we began displaying these signs at Planned Parenthood during the Spring 2022 Campaign.

When your vigil is finished, be sure to take your signs with you. The City of Salem requires that. When you are finished with this Campaign, you may return them to me, to another volunteer, or to St. Germaine; or make some other arrangement. You may contact me at (503) 480-9374, 40DaysforLifeSalemOR@protonmail.com, or send me a message via our website, 40DaysforLife.com/Salem.

If, when you are at St. Germaine, the sign you want is not there, let me know. If it is one that I make, I will make you one, provided I have several days' advance notice. I print each sign distributed over several sheets of 8.5x11 printer paper, trim and assemble the pages into the sign, laminate it, and mount it on a corrugated plastic sign blank.

If you would like to use a sign not listed, let me know. I may be able to order it or make it.

Q: Also, will I be the only one that will be there at that time?

No, you should not and will not be alone on the sidewalk if we can prevent it. I will make every effort to be there myself or have another experienced volunteer be there when you arrive, get signs for you, and to answer any questions you may have. According to the online Calendar, which you can access at www.40DaysforLife.com/Salem, there may be others signed up in your chosen time slot. If not, I will try to find someone to accompany you or be there myself for your hour. Let me know. Let me know if the other person(s) who has signed up doesn't show up. A screenshot of the Calendar:

Let me know if you have any other questions.

May God bless your efforts to save the defenseless little ones who cannot speak for themselves.

Campaign leader
