

40 DAYS FOR LIFE™

30 Minutes of Powerful Pro-Life Prayer

Consider spending one minute in prayer for each of the following;

1. Spend the first minute simply worshipping and adoring the Lord Jesus who is The Life. Try not to make any request at this time. Just spend a minute telling Him how much you love Him and how grateful you are to be His child! Consider reading a Psalm of praise, such as Psalm 48, 63, 65, 84, 89, 92, 100, 150, or sing a hymn.
2. Spend another minute thanking God for the gift of life. Use this short time to recognize what an awesome blessing it is just to be alive, and to be thankful for all you are blest to have in your life. Let your appreciation for these gifts of life enhance your prayer for those yet unborn to have the chance to experience how great life can be.
3. Pray for the women in your community who at this very moment are considering abortion. Consider their emotions (fear, anxiety, maybe even contempt or indifference) and pray that the Holy Spirit would minister to them, helping them to recognize, respect and love the "personhood" of her unborn child. If you know someone personally please mention her to our Lord by name!
4. Pray that God brings people to those considering abortion, who can help guide and strengthen them and support them to have the courage they need to carry and deliver their babies.
5. Pray that the families, friends and churches of those who choose to carry their babies would support their decision to give birth and assist them or help them find resources for any challenges they may face. Especially pray for the fathers of these babies, that they would love and support their child.
6. Pray that the adoption agencies would be successful in finding loving families for babies that are placed in their care. This is a very pro-life issue! We don't just want to see the babies born, we want to see them loved and nurtured as well!
7. Pray for "inner conversion" of those who perform abortion at this Auburn Ave, Planned Parenthood facility and those who assist them.
8. Pray for all those in the community who support, urge and rally for abortion especially for those who profess faith in Christ. Include in this prayer doctors who refer their patients to the this PP, Auburn Ave. clinic for abortions. Pray that the Holy Spirit would move them in such a way that they would realized the great detriment of the "culture of death" they are promoting.
9. Pray for all those fighting abortion at any level in society. Pray for God to protect them against all evil and grant them strength and courage to prevail.
10. Pray for all pro-life ministries those you know and even others! Ask God to supply all their needs and inspire them in the fight against abortion. (All the Pregnancy Care Centers, Old St. Mary's Care Center, Elizabeth's New Life Center, Sharonville 40 DFL, and Cincinnati & Dayton RTL.)
11. Pray for those in positions of civil authority that they would heed the voice of their pro-life constituents and be personally involved in promoting life!
12. Pray that those men and women in legislative authority would actively present and pass laws that respect all human life from conception to natural death.
13. Pray for the President and Supreme Court justices that they come to realize only God is the Author of Life.
