

# 40 DAYS FOR LIFE™

14. Pray that the right of conscience would always be protected for all medical personnel.
15. Pray for those all those in our community who have had abortions. Pray that God would heal their wounds, and give them grace and courage to testify to the destructive nature of abortion.
16. Pray for your local community of Christians to keep open doors and hearts to those who have had abortions. Pray that more of local churches would join 40DFL, and that all would be beacons of hope and healing to those who regret their decision to abort their child.
17. Pray for our society that we will come to an understanding of God's design for life. Especially the family unit, respecting His law above our own desires. Pray that all marriages would be open to life.
18. Pray for the pastors and priests of our churches that they receive inspiration and strength from God to remain steadfast in their convictions against the murder of innocent unborn children. Give them the boldness to clearly express their stand for life and to urge church members to do the same.
19. Pray for unity in the Christian community to be obedient to God as He guides us in the battle for a "culture of Life."
20. Pray for those who come to the abortion mill sidewalk to witness and pray, asking for their protection and for the love of God to shine through them.
21. Pray for those who do sidewalk education asking God to give them the Holy Spirit inspired words to speak to each person entering the abortion mill.
22. Pray for repentance on behalf of our nation that has allowed this legalized murder for so long. Ask God to change hearts and minds.
23. Pray that God will give you strength and boldness to be a voice in any way possible for the "Gospel of Life."
24. Pray for the children of America, that we would help them to learn the value of life and involve them in protecting it.
25. Pray for all those who do business with this abortion facility, asking God to help them understand the financial support they are providing to those who end precious lives.
26. Pray that God would help you to be still and to hear His voice inspiring you as to what ways you should be involved with the local pro-life movement.
27. Pray for attorneys who fight for abortion, that God would give them a revelation of the true nature of abortions and their own role in defending the indefensible.
28. Pray for the Ohio Department of Health, the Attorneys and all those involved with the legal decisions regarding Auburn Ave., PP. Ask God to give them the words to speak so that all their adversaries cannot stand against or refute them.
29. Pray for the continued support of the priests and ministers (by name if you can) who join us in prayer. May God inspire them to bring others to pray and minister here!
30. Spend your final minute and more, praising God-the Author and Creator of all life. He is worthy of all honor, glory, praise and blessings. May His Name be glorified forever.

*Thank you for your commitment to praying for these life issues,  
not only during the 40 Days for Life campaigns, but each and every day.  
May God reward your faithfulness!*
