In 2018 there were 3268 abortions commissioned by NHS Leeds and the majority were provided by private clinics like Marie Stopes

40 Days For Life is a peaceful prayer vigil and public witness outside abortion centres worldwide. The vigil outside the Marie Stopes abortion centre in Leeds is organised by Leeds People For Life and offers to help to women to choose life.

Please consider coming along to join us between 7am-7pm (Sept 25th to Nov 3rd) for a short time. Help be the last sign of hope and the first sign of healing to those whose lives are affected by abortion. Contact details overleaf. We can arrange for someone to go with you to the vigil if it is your first time. If you are unsure come along and see on a Sunday when the clinic is closed. Be a voice for the voiceless.

Prayer

Father, all life is in your care. You have entrusted us to one another that we may show our brothers and sisters the same love You have for us. We pray then for the least among us, the children in the womb. Protect them from the violence of abortion. We pray for those who are scheduled to die at the Marie Stopes facility in Leeds. Save them from death. Give new hope to their parents, that they may turn away from the desperate act of abortion. Grant conversion to the abortionist and to the staff. Show us how to respond to the bloodshed in our midst, and lead us to the day when this place of death will be transformed into a haven of life. Guard us with your joy and your peace. For in You, life is victorious.

We pray in the name of Jesus Christ our Lord.
