Phoenix, AZ

Since the first Fall 2013 campaign, our prayer volunteers have spent thousands of hours on the sidewalks ready to help any mother and her baby in their time of need. It is also important to mention that our prayers and support are also directed to the abortion doctors and their staff. We pray that their eyes, hearts, and minds will be opened to the Truth. We pray for their conversions, and an openness to God's love and mercy.

“For our struggle is not with flesh and blood but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens” –
Ephesians 6:12
