

Prayer Points for Closing the Kettering Abortion Mill (2021)

The people who know their God will display strength and take action. (Daniel 11:32b)

1. God is good---all the time. Let's begin by simply worshipping and adoring our Lord Jesus who is the Author and Giver of Life! He is worthy of all honor, glory, praise, and blessing. Sing a song of praise in your heart or aloud. - ***I will extol the Lord at all times; His praise will always be on my lips. (Psalm 34:1); O magnify the Lord with me; let us exalt His Name together. (Psalm 34:3); Enter His gates with thanksgiving and His courts with praise; be thankful unto Him and bless His Name. (Psalm 100:4-5).***

2. Thank God for this time You have with Him. Use these brief moments to recognize what an awesome blessing the gift of life is. Consider that humans are made in the image of God. Reflect on the value of each life in the womb.

3. Thank God that He has chosen you for such a time as this. Praise Him for placing you right where you are and making you useful to Him. Praise Him for never giving up on you! Praise Him for helping you to pray for those who may have given up.

4. Thank God that the battle belongs to Him and so does the victory. Praise Him for being with you each and every step of the way to the closing of this abortion mill. Thank Him for hearing the many thousands of prayers spoken on the sidewalks and for answering them with loving kindness and tender mercy.

5. Thank God for the opportunity and the privilege of prayer. Think about the awesome blessing of being able to spend time in fellowship with the Creator of the universe. Ask God to guide your prayers for others as you commit them to Him. ***I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; for kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. (1 Timothy 2:1-2).***

6. Pray for the woman in your community who at this very moment is considering an abortion.

Consider her emotions (fear, anxiety, maybe even contempt or indifference) and pray that the Holy Spirit would minister to her, teaching her to recognize, respect, and love the "personhood" of her unborn child. Pray that she would receive from God the courage she needs to carry and birth her baby. If you know someone personally in this situation, please mention her to our Lord by name!

7. Pray that the families, friends, and churches of those who choose to carry their babies would support their decision to give birth. Also pray for the fathers of these babies, that they would love and support their child and the child's mother.

8. Pray that adoption agencies would be successful in finding loving families for babies who are placed in their care.

9. Pray for the spiritual conversion of those who perform abortions in our community and those who assist them. ***(Martin Haskell, Roslyn Kade, Catherine Romanos, Jeanne Corwin, Keith Reisinger-Kindle, the workers and guard).***

10. Pray for all those in the community who support, urge, and rally for abortion ---especially for those who may also profess faith in Christ. Pray for doctors who refer their patients to the Kettering clinic for abortions. Ask the Holy Spirit would move them in such a way that they would realize the tremendous damage caused by the "culture of death" they are promoting.

11. Pray for God's work in the hearts of the doctors in the Wright State Physicians Group---- ***Sheila Barhan, Elizabeth Dunn, Judy Duke, and David Dhanraj.*** They have signed the transfer agreement, enabling the abortion mill to maintain its licensure. ***Keith Reisinger-Kindle,*** abortionist, is also a member of the Wright State Physicians Group.

12. Pray for the woman whose heart is aching because she has had an abortion, no matter how long ago it occurred. Pray for her to seek God's forgiveness and receive His mercy and peace.

13. Pray for your local community of Christians to keep open doors and hearts to those who have had abortions. Pray that our churches would be beacons of Christ's forgiveness and healing for those who have had an abortion.

14. Pray for all pro-life ministries, asking God to supply all their needs and to inspire them with ideas of how to appropriate His ways in their defense of life (*Elizabeth's New Life Center, Miami Valley Women's Center, Dayton Right to Life, and others*).

15. Pray that the men and women in legislative authority would actively present and pass laws that defend all human life from conception to natural death.

16. Pray that the right of conscience would always be protected for all medical personnel.

17. Pray for our society, that we will come to an understanding of God's design for life, especially the family unit, respecting and upholding His law above our own desires. Pray that all marriages would be open to life.

18. Pray for the pastors and priests of our churches that they would receive inspiration and strength from the Holy Spirit to remain steadfast in their convictions against the murder of innocent, unborn children. Give them the boldness to clearly express their stand for life and to urge church members to do the same.

19. Pray for those who come to the abortion mill sidewalks to witness and pray, asking God for their protection and that His love would shine through them.

20. Pray for those who do sidewalk counseling, asking God to give them the Holy Spirit-inspired words to speak to each person entering the abortion mill.

21. Pray for all those who do business with this

abortion facility, asking God to help them understand the financial support they are providing to those who end precious lives.

22. Pray for repentance on behalf of our nation that has allowed this legalized murder to endure for so long. Ask God to change hearts and minds.

23. Pray that God will give you strength and boldness to be a voice for the "Gospel of Life" at every opportunity. Ask God to quiet you so you can hear His directions.

24. Pray for the children of America, that we would help them to learn the value of life and involve them in protecting it.

25. Pray for the unification of the citizens in the greater Dayton area in standing for life. Pray for Dayton to become a **Sanctuary City for the Unborn!**

26. Pray for those who have never been to the sidewalks to pray. Ask God to help them receive His courage to stand in defense of those who have no voice.

27. Pray for all those who stand beside you on the sidewalks---that God would bless their families and their prayers, supplying all their needs according to His riches in glory through Christ Jesus.

28. Now praise God---the Author and Creator of all life. He is worthy of all honor, glory, praise, and blessing. May His Name be glorified forever.

29. Let your heart sing of the goodness of God. Thank Him for the time you have spent in His presence. Receive the blessings of having communed with Him.

30. Return home with a grateful heart. Come back as often as you can. Bring others.

Thank you for your commitment to praying for these life issues.

The effectual, fervent prayer of a righteous man avails much. (James 5:16)
