Kelly's testimony is a testament to the power of God's grace and redemption. After a childhood that included many traumatic events, Kelly ended up working at the facility where she had her first abortion. She has experienced the God's grace and is now on staff with a ministry to help other abortion workers leave and heal.

40 Days for Life is an internationally coordinated **40-day campaign that aims to end abortion** locally through prayer and fasting, community outreach, and a peaceful all-day vigil in front of abortion businesses. The 2021 Fall Campaign runs from September 22 through October 31. The McKinney Vigil runs from 6am until 6pm daily Monday through Saturday on the Sidewalk outside Whole Women's Abortion Facility.
