

# Spill Control

## Spill Kit Boxes

Safely store and handle hazardous materials such as old paint cans and used batteries or any other items in these all-purpose containment boxes. Lids do not secure and simply sit on top of the container. Legs are hollow and should not be considered storage space. Ship and store a variety of materials including batteries, recycling items, construction materials, spill kit tools, paint, scrap, and more.

Features:

- Stackable
- Seamless design
- Snug-fitting lid

Benefits:

- No leaks or spills
- Protects floors, walls
- Easy handling with forklift
