ATTENTION CUSTOMERS

We are open regular hours, but with strict controls in place regarding payment and access to our facilities and staff.

We are open but must limit access to our facility and control our interaction. Please call our main office line (604) 852-8522 for service.

If you know exactly what you need, we can complete the transaction over the phone and can bring the product and sales documents out to you for loading. If you need assistance in choosing products, a salesperson can assist you while keeping a minimum 2 - 3 metre distance.

We can only accept sales on credit card or with cash (exact amount or rounded up). For credit card, the salesperson will obtain your credit card information and get your signature on a credit card authorization form.

Thank you very much for your business and cooperation today; we look forward to serving you again.

-The BARR Plastics Team
