

IMPORTANT NOTICE

Dear Valued Clients

Due to Covid-19, our best practice is to have the office door locked. Should you wish to attend the office or arrange an appointment, kindly call prior to make arrangements on **03 9335 3334**.

Please know that our service to you remains our top priority while we implement measures to protect the health and well-being of our clients, staff and community.

Our business is prepared for our teams to work from home, we have invested in technology that will enable us to still take calls and emails from our clients during business hours and access all data and information required.

One on one private viewings will replace all open Houses until further notice. When your booking is confirmed, we will greet you at the property with a smile instead of a handshake.

If you are feeling unwell and or have recently travelled to a COVID-19 affected area, please seek medical advice and advise our office immediately as we will need to cancel our private appointment for the safety of our team and general public.

Thank you for your understanding and cooperation during these unusual circumstances. Please take care and exercise exceptional hygiene at all times.
