Preacher: Scott Grant

The Mighty Hand of God

Twelfth week in the series: FLOURISH

1 Peter 5:1-11

There have been more than enough developments in 2020 to raise our anxiety levels. What do we do with our anxiety? With his words, Peter paints pictures. Therefore, to benefit from his words, we will have to use our imaginations.

Discussion Questions:

1. Peter pictures elders receiving the “unfading crown of glory” when Christ appears. Also, all believers will receive “the crown of righteousness” and “the crown of life” (2 Timothy 4:8, James 1:12, Revelation 12:10). Picture Jesus giving you a crown. What does this image do for you?
2. Peter instructs us to cloth ourselves with humility toward one another. What does this image do for you?
3. Peter instructs us to humble ourselves under the mighty hand of God. What does this image do for you? Peter invites us to image God lifting us up with his mighty hand. What does this image do for you?
4. Peter instructs us to cast all our anxieties on God. What does this image do for you?
5. How do you think we might go about resisting the devil?
