

For the week of December 6, 2020

Preacher: Paul Taylor

# Stand Firm in Babylon

*Final week in the series: FLOURISH*

**1 Peter 5:12-14**

Peter concludes his letter with a final exhortation which summarizes the main point of his writing. The true grace of God is our ability to suffer injustice in the presence of God. As we stand firm in that, we will draw closer to God ourselves and become a resource for others to do the same.

## **Discussion Questions:**

1. Would you change any of the suffering you've experienced in life? Why or why not?
2. How can you be prepared to minister to others as we come out of pandemic life?
3. What does it mean that Silicon Valley is the new Rome?
4. How does responsibility change the way you think about living here and practicing your faith?
5. Share a story of someone you've seen God work through in this season.
