Idol Stress

Elder Message from Zephaniah 1

Our idolatry runs deeper than we think. God is jealous and disrupts us to confront us. Our idols can only be removed when they are replaced by Jesus, moment by moment.

Discussion Questions:

1. How have you coped with the pandemic?
2. Where have your thoughts lingered?
3. What have you spent your time doing?
4. Where do you look for comfort?
5. What do you fear?
6. What feels threatened?
7. What idols might be suggested by your responses above?
8. What can you do, practically, to enable Jesus to replace your idols?
