

For the week of January 10, 2021
Preacher: Paul Taylor

The Worst Best Thing

Second week in the series: JOSEPH
Genesis 37:12-36

In this passage, we witness the event which sets up the rest of Joseph's story. His brothers turn against him, attack him and sell him into slavery. Three major characters emerge from this narrative: Joseph, his brother Judah, and their father Jacob. This event affects each of them differently, but becomes the starting point for God's work in their life. As we encounter their stories, we will see echoes in our own lives and be led to the work of Christ in us.

Discussion Questions:

1. What event has served as a major turning point in your life?
2. In what sense do you feel you are wandering? Or have you been a wanderer in the past?
3. When have you been surprised by what hurtful actions the people around you are capable of?
4. When have you been surprised by what you are capable of?
5. What have you lost?
6. How do each of these characters and their questions lead you to Christ?
