Waiting In The Pit

Fifth week in the series: JOSEPH
Genesis 40

Joseph has been thrown into the pit of prison. Things have never looked worse for him. But in this story, we see a glimmer of hope. Two powerful people join him and he is able to do a favor for the one who will be restored to power. Then even this glimmer of hope fades as Joseph is forgotten again. How does he manage? How does he wait so long in the pit?

Discussion Questions:

1. Why is waiting so difficult for us?
2. What are some of the parts of your story God might use in the future?
3. When have you been in a situation where you had to watch and wait?
4. Who do you look towards to make things happen right away?
5. How have you seen God work through prosperity and tragedy in your life?
